It's a new year with new beginnings, so say "Yes!" to God's call in 2018.

Say "Yes!" to volunteering to serve our church on a Board or Committee,
or to participating in a special church event or project.

The Annual Meeting is the setting where, we, the congregation, adopt the budget and goals for the coming year, and elect officeholders. Please be sure to participate in this important event in the life of our church...
