Prizes, Luncheon... and Lots of Fun

The Family Life Golf Tournament is a 9 Hole “Best Ball” Scramble that raises awareness about breast cancer and raises funds for breast cancer research and our Family Life Fund. Over the past years, we have raised more than \$26,000 and each year new research findings are helping to improve treatment options and save lives.

The cost is \$25.00 for adults and \$20.00 for Juniors (17 and under). This will cover green fees, prizes and an “Awards picnic” after the round. Prizes will be awarded for 1) high and low team score; 2) closest to the pin; 3) closest to the line; and 4) longest drive for men, women, & juniors. We will also have a ticket drawing with some great prizes.

You can participate by signing up to play - or you can sponsor a hole (\$20) in honor or memory of a friend or loved one. Sign-ups are available in the office, during coffee hours or you can contact Rev. Margaret Jay (203 265-1691/ 203 238-0674).
