

**WE NEED YOUR CANS AND BOTTLES!**

The Benhaven School in Wallingford has generously volunteered to host some of the Wallingford Workcamp Sites. To raise money to buy snacks for the workers, the students will be completing a recyclable can and bottle drive. Two bins are available between the double set of doors as you come in from the back parking lot and the Narthex. Please bring in what you have to donate and the students will pick them up! The last pick up date is 7/6/18 at 2pm.
