

WANTED

Cookies, Cookies, Cookies!

100 Dozen!!!

(This is not a typo)

Our church community will be offering cookies to the Wallingford Workcamp volunteers after their first day of work on Monday, July 9. We need a lot of cookies—100 dozen to serve about 600 people.

Please say YES – to provide cookies of any kind. They may be baked from scratch, baked from pre-made dough, or purchased from the bakery department of your local grocery store or bakery.

Please package in disposable containers, such as aluminum pans from a dollar store, or containers will be provided upon request.

Cookies can be dropped off in the church kitchen on Sunday morning, July 8, or ahead of time in the church office to go in the freezer.

If you have any questions, please contact the church office at 203-265-1691.

Please complete the form below and return it to the church office so the Cookie Committee can plan. Thank you!

+++++
